

# VENTILATION *to* CREATE BETTER ENVIRONMENTS

Moffitt streamlines the fan selection process to provide you with the ideal powered ventilation solution. We can help you balance power with energy efficiency and to get a ventilation system that meets your expectations.

At Moffitt, we've been providing powered and non-powered ventilation systems for over sixty years. Contact us to get started on your new ventilation solution today.

*Consistent  
Stream  
of Clean,  
Fresh Air*

*Directs  
Cool Air to  
Where Its  
Needed*

*Exhausts  
Heat From  
Problem  
Areas*

*Removes  
Heat,  
Humidity,  
and Fumes*

*Durable,  
Industrial  
Housing &  
Props*

*Variable  
Frequency  
Drive  
Controls*

*Automated  
Controls  
to Improve  
Efficiency*

*Dual/Quad  
Units to  
Boost Airflow*

# Moffitt Product Line

## Fans For the Building

**PressureStream HF**  
Hooded Fan  
MID - HIGH TEMP.  
WIDTH: 24" - 180"

**PressureStream WF**  
Wall Fan  
LOW - HIGH TEMP.  
WIDTH: 10'-0"

**DualStream**  
Two Fan Make-Up Air  
ANY TEMPERATURE  
COMMERCIAL - INDUSTRIAL

**QuadStream**  
Four Fan Make-Up Air  
ANY TEMPERATURE  
COMMERCIAL - INDUSTRIAL

## Fans for the Work Station

**GulfStream**  
Spot Cooler  
LOW - MID TEMP.  
DIAMETER: 14", 18", 22", 30"

**JetStream**  
Hanging Circulator  
LOW - MID TEMP.  
WIDTH:

**MegaStream**  
High Volume Low Speed  
LOW - MID TEMP.  
WIDTH: 8" - 24"

**TubeStream**  
Tube Axial  
LOW - MID TEMP.  
WIDTH: 12" - 34"

## Fans for the Work Space

**UpStream**  
Upblast Axial  
LOW - MID TEMP.  
DIAMETER: 24" - 72"

**ExhaustStream**  
Centrifugal Upblast  
LOW - MID TEMP.  
WIDTH: 6" - 16"

**ExhaustStream**  
Centrifugal Wall  
LOW - MID TEMP.  
WIDTH: 6" - 72"

**DownStream**  
Downblast Exhauster  
LOW - MID TEMP.  
WIDTH: 6" - 24"

## Fans for Sub-Ambient Cooling & Heating

**DeltaStream**  
Adiabatic Cooling  
ANY TEMPERATURE  
COMMERCIAL - INDUSTRIAL

**HeatStream**  
Powered Heating  
ANY TEMPERATURE  
COMMERCIAL - INDUSTRIAL

## Ventilation Services

**Ventilation Design**  
CFD Modeling

**Fabrication**  
Custom Manufacturing

**Maintenance**  
Inspection & Refurbishment

**Installation**  
Supervision & Contracting
